
San Marcos Fire Department,

Can I just say that you guys were my favorite part of this trip? You guys truly made this experience the best. Getting to meet all of you guys was amazing. Your wit & ninja skills made me laugh non-stop. All your help w/ this trip made me realize that there are good people in the world. You ~~boys~~ men are fantastic & I'm so lucky to have met you. I'll be back in August to visit!

See ya soon!
