DATE: March 1, 2012
RE: **Current Transformer metering prices**

The City of San Marcos Electric Utility Division is updating pricing for Current Transformer (CT) metering materials to parallel market price increases. Some prices will remain consistent as the City is trying to keep pass through costs at a minimum. The new prices are effective March 19, 2012.

Equipment	Old Price	Price effective March1, 2012
Pole Mount CT - 1 or 3 phase (120/208 or 120/240)	\$ 550.00	\$ 550.00
Pole Mount CT - 3 phase (277/480)	\$ 850.00	\$ 850.00
Transocket - 1 phase	\$ 550.00	\$ 800.00
Transocket - 3 phase (120/208 or 120/240)	\$ 550.00	\$ 850.00
Transocket with VT pack - 3 phase (277/480)	\$ 850.00	\$ 1,150.00
