To be completed by Staff:

- A traffic impact analysis IS required. The consultant preparing the study must meet with City staff to discuss the scope and requirements of the study before beginning the study. The traffic generated by the proposed development exceeds the threshold requirements (300 VPD for residential / 2,000 VPD for other streets)
- A traffic impact analysis is NOT required. The traffic generated by the proposed development does not exceed the threshold requirements (300 VPD for residential / 2,000 VPD for other streets)
- The traffic impact analysis has been waived for the following reason(s): ___________________________________
